# ABOUT NOEMI

Noemi is a leading innovative manufacturer and solution provider for complete EMI / EMC solutions , power conversion and power quality solutions including wide range of Noise Filters, EMI Filters, RFI Filters, HEMP Filters, Control Line Filters, Signal Line Filters , Power line Filters, Facility Filters, Consumer appliance Filters, input chokes, out put chokes, line reactors, passive harmonic filters and control transformers. Our product portfolio includes Mil Std HEMP Power Filters up to 2000A.

We offer standard as well as customized filters and power quality products as per your requirements.

# VISION

To emerge as a global leader and specialist in providing cutting edge EMI/ EMC and Power quality solutions by unleashing the power of innovation and technology, collaborating the design and development capability of our highly motivated employees, leveraging the ideas of all the stakeholders and create a sustainable and electromagnetically shielded society or ecosystem and reduce the EMI footprint on Earth.

# MISSION

Noemi is on a mission to provide standard and customized, optimally feasible EMI / EMC compliant, electromagnetic interference shielding, EMI filtering, power conversion and power quality solutions to cater to the needs, desires and predicament of omnipresent customers through unique, innovative products and unrivaled services.

# OUR VALUES

**N**

## **NURTURING**

>We believe in nurturing a long term relationship with our customers.  
>Relationship that is mutually beneficial.

**O**

## **OPEN MINDED**

We are inclined to receive and implement new ideas.

**E**

## **ETHICAL**

We follow ethical business practices which are consistent with moral principles and values.

**M**

## **MAVERICK**

>Out of the box thinking.  
>Curious to implement new things and doing things in a different way.

**I**

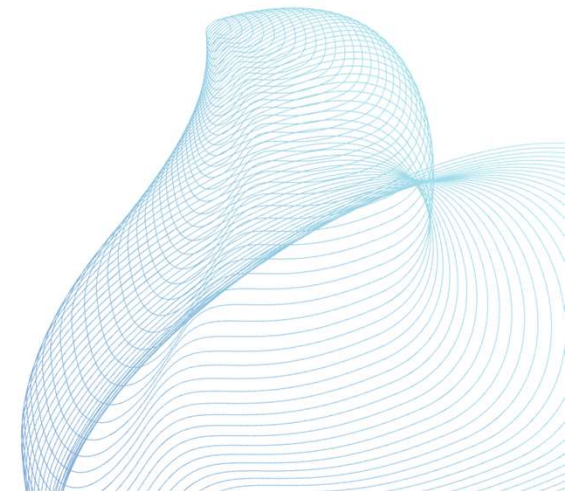

## **INTEGRITY**

Ethical codes are embedded in each sector of our company to enable us to perform our duties honourably & reliably

# SUSTAINABILITY

Efficient, reliable and clean power for a cleaner world.

Noemi is committed toward a sustainable and scalable business model by offering reliable and efficient solutions for a cleaner power, providing equal opportunity to the employees, implementing policies for environment, health and safety aspects.

# OUR TEAM SPIRIT

**STAY  
INSPIRED.  
NEVER  
STOP  
CREATING.**

[solutions@noemishielding.com](mailto:solutions@noemishielding.com)

Innovation and continuous improvement are the key driving factors at Noemi. We strive to deliver the solutions for clean and interference free power across the globe.

# INDUSTRY SEGMENTS

## MARINE & SHIPBUILDING

## MEDICAL AND PHARMA

## DEFENCE & AEROSPACE

## E-MOBILITY

# INDUSTRY SEGMENTS

## SOLAR POWER

## TELECOMMUNICATIONS

## CONSUMER APPLIANCES

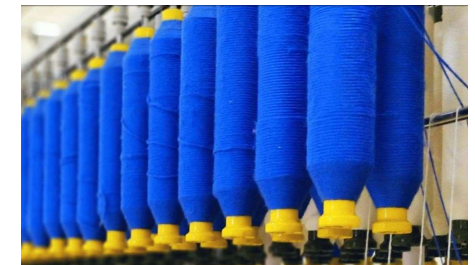

## AUTOMATION, DRIVES, ROBOTICS

## INFRASTRUCTURE & BUILDINGS

## SPM, TEXTILE, METAL, MACHINES

# OUR SOLUTIONS

## PRODUCTS

POWER QUALITY PRODUCTS  
EMI / EMC PRODUCTS  
POWER RESISTORS  
POWER CONVERSION PRODUCTS  
SURGE ARRESTORS

## PROJECTS

NOEMI UNDERTAKES TURNKEY EPC PROJECTS FOR EMI / RFI SHIELDING AND MITIGATION FROM CONCEPT TO COMMISSIONING INCLUDING DESIGN, ENGINEERING, MANUFACTURING, INTEGRATION ,SITE INSTALLATION, AND COMMISSIONING, TESTING AND HANDLING OVER OF EMP SHIELDED FACILITY WITH CIVIL, STRUCTURAL, MECHANICAL, POWER, CONTROL, SIGNAL, DATA, PROTECTION ETC.

## SERVICES

EMI/ EMC CONSULTANCY  
ENERGY AUDIT/ POWER  
QUALITY AUDIT  
TRAINING & EDUCATION  
EMC LAB

# POWER QUALITY PRODUCTS

- 1** LINE REACTORS, DETUNED REACTORS, INPUT CHOKES, OUT PUT CHOKES

- 2** SINEWAVE FILTERS

- 3** HARMONIC FILTERS PASSIVE  
HARMONIC FILTERS (PHF)  
ACTIVE HARMONIC FILTERS (AHF)

# EMI /EMC PRODUCTS

**HEMP FILTERS/ EMP FILTERS**

**TEMPEST FILTERS**

**FEED THROUGH FILTERS/  
FEED THROUGH CAPACITORS**

**SHIELDED FACILITY FILTERS /  
MRI ROOM FILTERS**

# EMI /EMC PRODUCTS

**EMI /EMC FILTERS/  
NOISE FILTERS**

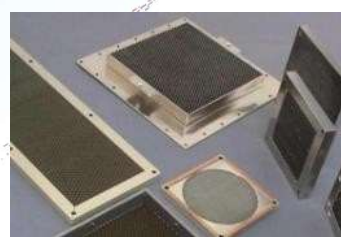

**SOLAR INVERTER FILTERS**

**CONSUMER HOME APPLIANCE/ WHITE  
GOODS**

**NOISE FILTER FOR WASHING MACHINE,  
DISHWASHER, MIXER GRINDER . MICROWAVE**

**EMI/ EMC MATERIALS**

CONDUCTIVE GASKETS, BERILLIUM COPPER  
FINGER STOCKS, HONEYCOMB STRUCTURES,  
CONDUCTIVE PAINT, CONDUCTIVE GLUE, WAVE  
GUIDES ETC.

# WHY NOEMI ?

> We work closely to understand the needs, desires and challenges faced by our customers and give them optimally feasible solutions with our innovative and high quality products and services which are delivered on time, confirming and complying to all current and relevant statutory global standards.

> Noemi has established, maintain and develop an effective and efficient Quality Management System that both contributes to the above objectives and conforms to the requirements of ISO 9001:2015. Our quality process consists of three stages viz. inward, in process and final inspection.

> All the products supplied by Noemi are CE and ROHs compliant.

> We have implemented a strict environmental, health and safety policy and take appropriate precautions to ensure proper handling and storage of chemicals and raw materials follow the regular health and safety practices and standards in our manufacturing process.

# WHY NOEMI ?

- > Highly motivated team of experienced professionals and skilled design engineers who believes in customer centric approach and are able to deliver our standard products as well as custom built solutions to meet the varied needs of the customers.
- > Noemi has a dedicated inhouse EMC lab to meet your EMC pre compliance and EMC compliance needs as per CISPER and MIL standards.
- > We provide EMI/ EMC consultancy services to empower you to develop products confirming to global EMI/EMC compliant standards.
- > Noemi is your single window solution partner for all your EMI/ EMC filtering, shielding, testing and consultancy requirements. Noemi is a preferred supplier for the following EMC products: Conductive gaskets, conductive glue, conductive tapes, conductive paint, beryllium copper finger stocks, honeycomb structures, waveguides etc.

**Think EMI /EMC, Think " NOEMI "**
